Old Business:

2019 Easter was a success. The new bunny suit was loved by all. Thank you, Perry!. The live rabbit bought by the Bill Stevens family was adorable and lots of kids stopped to pet him. Thank you, Bill!

2019 Arbor Day/Mayors Walk was a cold rainy event. There were just a few residents that stopped by to listen to Councilperson Arlene Sampson speak about native to Iowa plants. Metro Waste was also here to answer questions on recycling. More residents stopped by for the free trees. Thank you, Arlene!

New Business:

City wide Garage Sales. Information has been given to each home about the June 1 date

Family Movie Night June 8. Ghostbusters Ankeny Sanitation will be our corporate sponsor of the movie nights in 2019. They donated \$200.00 for a popcorn popper.

Celebrating Alleman's 50th year

We want to have a big celebration. A few suggestions for a July 2023 event:

- 5k walk run
- Pancake breakfast

- Parade
- Street dance
