Fireworks in Alleman

Alleman follows the State of Iowa regulations regarding fireworks. Fireworks may legally be discharged between June 1 and July 8, and from December 10 through January 3. Please be respectful of children, pets, and neighbors. Fireworks may not be discharged in the street and must be used on your own property. Enjoy and have fun, but remember that not everyone enjoys fireworks.

Electronics Recycling

As our battery-boosting buddy, Sparky reminds us to safely and responsibly dispose of batteries, which should never be placed in the garbage or recycling bins. Improperly disposed batteries and small electronics can cause major fires. Recently, Sparky has been popping up all over town reminding us that if it buzzes, beeps, flashes, or can be recharged, it does not belong in the garbage or recycling. Please bring batteries and small electronics to City Hall during normal business hours.
