### **Paws and Reflect**

As we enjoy the cooler fall temperatures with our four-legged family members, it is a great time to remind all residents about our community's leash requirements.

City ordinances state that all dogs must be kept on a physical leash at all times when off the owner's property.

Thank you for helping keep our community safe and enjoyable for everyone – including our furry friends!

### **Friendly Reminder: Keep Grass Clippings Out of the Streets!**

Mowing season is still in full swing, and the City reminds all residents and property owners that it is unlawful to blow, sweep, or deposit grass clippings, leaves, or yard waste into public streets. Leaving grass clippings and yard waste in the roadway can create serious problems for our community, including:

- Clogged storm drains
- Water pollution
- Traffic safety hazards
