**SPECIAL SESSION**

For budget years beginning after July 1, 2020, the council shall adopt a resolution establishing the total maximum property tax dollars that may be certified for levy. The levy just states what a city is limited to the total amount of property tax levy (dollars) on the notice. In short, it just provides further transparency about any budgeted property tax increases. The levy is an additional step in the budget process that council is required to have a public hearing on resolution before adoption.

Because of the changes generated from Senate File 181, the Iowa Department of Revenue had to recalculate residential rollback for the 2022 assessment year, which impacted property tax valuations for this budget year. The state also extended the budget deadline to April 30. The change in calculation actually reduced the maximum amount the City can levy for 2023-24. The max levy for this budget year is \$231,807 versus \$234,027 from 2022-23 which represents a decrease of 0.94%.

Resolution #2023-003 Resolution approving the maximum levy amount of \$231,807  
Jones made a motion to accept the resolution approving Resolution #2023-003,  
Rozenboom seconded and a roll call vote was taken. (See attached Resolution). The vote was all Yea and Resolution #2023-003 passed

Jones made a motion to set the date for the Budget Hearing FY 2023/2024 to April 10, 2023 at 7:00 p.m. Rozenboom seconded and the motion was approved.

**Adjourn**

Mayor Kramme closed the Max Tax Levy Hearing and the meeting was adjourned at 7:30 p.m.
