Tiny Tree Giveaway – Saturday, May 3 | 10:00 AM – Noon

The always-popular Tiny Tree Giveaway will take place on Saturday, May 3, in conjunction with the annual Plant Swap. The City will offer rhubarb and asparagus starts as swap items. Residents are encouraged to bring divided plants from their gardens to exchange. Everyone is welcome to adopt a Tiny Tree! Did you know that trees help reduce stormwater runoff? Rainwater is stored on the leaves, slowing runoff and reducing its impact. The collective effect of this simple action can make a meaningful difference in our community. **Silver Cord hours are available to North Polk students who volunteer at this event.**
